

# **Keepers of Athena's Thimble**

## **Guidelines for Period Competency Documentation**

***Please include the following information in your documentation:***

List the guild category of your Period Competency.

Describe the item you have created.

What stitches did you use? What stitches were used in period?

What materials did you use? What materials were used in period? Describe both your ground fabric and your thread choices.

Describe the historical context of this piece. How would this item have been used in period? Who would have used it? Where and when?

Describe your process. Did you encounter any difficulties or surprises? Did you make any discoveries?

Did you look at any extant pieces in your research? If so, please describe.

List the sources you used in your research.

If possible, please include pictures of extant pieces and/or period art used as research or inspiration, as well as photos of your project, in your documentation.
