To determine finished size, divide the number of squares (vertical and horizontal) of the design by the count of your fabric:
On 11 count, 50 squares will be 4.6"; on 14 ct 3.6", on 22 ct 2.3" and on 32 ct 1.6"

All drawings and animal identifications are my own and taken from images of "The Lady and the Unicorn" (also know as "The Five Senses." 1480-90, Southern Netherlands) in The Unicorn Tapestries, Adolfo Salvatore Cavallo, ISBN 0-87099-868-4, **Page 1, Hounds**
