

Colors:

Field: Any color (the device itself is fieldless)

Thimble: Blue (medium to dark) with white, silver or light grey lettering OR the reverse

Needle: Gold OR silver, white or light grey

Owl: "Natural", i.e. grey, brown, black...

Edge: If you use it as shown, do it a contrast or darker color of the field, but not required.

Shape does not have to be as shown.

The only part that is "required" is the owl, standing on a thimble (marked "AT") and holding a needle.
